

The Droid Is Not For Sale

A Rey & BB-8 Quilt Pattern

Manufacturers' Color Chart (suggested!)

Note: I chose warm grays for Rey's clothing, and a cool gray for BB-8. The cover quilt was made with a hodgepodge from my stash, so these are best guesses drawn from manufacturers' color cards!

| FABRIC | USE | QUANTITY | Hoffman Fabrics ME+YOU Indah Solids | Kaufman KONA Solids | Paintbrush Studio - Painter's Palette Solids | Michael Miller Cotton Couture Solids | Art Gallery Pure Elements |
